Welcome to the first edition of our newsletter. Our website and Facebook page provides lots of information about the club but we thought you'd appreciate all our latest news delivered straight to your inbox

U14's starring role at Oxford United Tournament

Our U14's were asked to take part in an invitation only tournament hosted by Oxford United—and they did us proud! With 2 draws and 2 wins they progressed to the final, but after a long day they couldn't quite overcome the eventual winners Haddenham. What's more a few of the team were invited to a trial with OUFC so watch this space!

Woop woop! After our annual health check with the FA we were pleased to retain our Charter Standard status. This means that Brackley Athletic is offering "best in class" football training and living the values of the FA. We still need your support: we are always on the look out for volunteers in all areas of the club from fundraising helpers, right through to additional coaching staff—please do get in touch with us if you'd like to work with the club

Our Medical Officer, Victoria Sillett ran the first of a number of first aid refreshers for our coaching staff ensuring that all our coaches are ready should there be a medical emergency. We think these are essential skills for everyone—so we are hoping to run parents sessions soon. Watch this space!
