Leaping in to action!

Whilst I write in March, having successfully "pinch punched" my entire family this morning, I look back on what has been another challenging month. Storms Ciara and Dennis have taken their toll and despite this affecting a number of fixtures I think it is safe to say we have been pretty lucky living where we do. Despite the high number of match cancellations due to the weather and the inconvenience it causes, we have to remember our children are safe and our homes are still standing. Frustrating as it may be, it is never worth taking the risk in such weather conditions and we thank you for your understanding. Compared to many across the country we got away lightly.

Celebratory news! Under 14s make it to the cup final!

In true and reliable style I managed to turn up to the under 14s semi final against Wallingford just after our number 10 scored a "banger" (his words, not mine). Top right, after going past three players to equalize! After battling hard, the game ended as a draw and so on to penalties, with Joe Hernandez securing the victory with the winning penalty. Thomas Harvey was the first to jump for joy - it was his turn next!!! A fantastic game to watch, clean play despite the disruption of the lines mans pitch-invading dog. All boys contributed to a well deserved and hard earned win. Good luck in the final boys.

Goalkeeper training day on 21st February at Easington FC was a huge success with several BAFC players winning 'warrior of the day' for their age group. We looking forward to working with GoalkeeperWarz again in the future. I think it is safe to say these pictures paint a thousand words.

The club shop stocks some great BAFC merchandise. We are now selling mugs as well as hats, caps, bags, ice scrapers, balls and snoods. Check out our website and help raise funds for the club whilst drinking your cuppa! Visit
