Another busy month for BAFC despite a couple of weeks off from matches for half-term! Thank you to all who attended our Club Legends photoshoot, we can't wait to see the photos. We continue to work with Charlton Parish Council and are thrilled to have access to the football pitches in Charlton which has now been officially accepted by the FA as our second home ground. We're also looking at jointly purchasing a second defibrillator for the site. Don't forget to use easyfundraising when shopping online, it's a great money earner for BAFC at no extra cost to you. We've had more amazing examples of community engagement in supporting and organising our first Girls Tournament. Sadly it did not end as we had hoped with the tornado ripping through the pitches and causing lots of damage resulting in us having to abruptly end the event. We have just heard that our insurance will not cover our damages which means we will be looking for community support to replace our damaged equipment. If you can help please do let us know. We have had lots of good wishes from the wider football community and will be setting up a Just Giving / Go Fund Me page in the next few days.

### SPONSORSHIP

We are so grateful to our sponsors for providing kit to our teams. This enables us to keep our membership fees down and more children playing football. We love having our sponsors at our matches and also offer our support to them in our newsletter, on our website and on social media. **To sponsor a team, please contact [info@brackleyathletic.co.uk](mailto:info@brackleyathletic.co.uk)**

# FUNDRAISING

Fundraising is a big part of BAFC in order to keep our membership fees down and buy additional needed equipment and extras for the children. Last season your fundraising efforts funded trophies for end of season, corner flags, respect barriers, new steel goals, training mannequins, training footballs for new teams and a BBQ for the club. This season we need to purchase a new gazebo, new goals for Manor Road, replace damaged or broken training equipment, a defibrillator for our new Charlton site, and of course our end of season trophies! Look out for forthcoming social and fundraising events. Don't forget to use easyfundraising when shopping online at no
