Happy New Year 2022! We are excited to see what the second half of the season holds for BAFC and look forward to the warmer weather and less soggy pitches! Well done to those players (and coaches) who have worked hard in January to regain their fitness and review what they eat – not easy after Christmas! We would encourage players to keep practising mastering the ball at home too. A huge congratulations to our teams progressing in the County Cup – will this be the season for BAFC to bring some silverware home?! The second payment for membership should now have been made. If you are having difficulties paying then please get in touch. A special mention to our Tigers (disability / inclusive football) team playing their first match against our friends at Bure Park—you are amazing! Best of luck to BAFC players going to MK Dons talent pathway trials, just do your best and enjoy it! Thank you to those who supported BAFC at the Brackley Leisure Centre Open Day; our links with community groups continue. Check out our social events planned for the rest of the season, we are more than just football!

OUR ROARING TIGERS!

It was 3rd time lucky for our Tigers who eventually got to play their first competitive match at the weekend. Hosted by Bure Park, they got to show off their skills at Whitelands Sports Ground in Bicester. They were fantastic and we can't wait to see how they progress over the rest of the season. **Tigers are looking for more players to join their fun and friendly team. Open to children aged 6-14 years, with additional needs, and no previous footballing experience necessary.**
